## Experience

January 2024 - Present

**Through the Fog** - *Narrative Lead and Game Designer*

[https://store.steampowered.com/app/1698600/Through\\_the\\_Fog/](https://store.steampowered.com/app/1698600/Through_the_Fog/)

- Designed a unique story and a world that serves as the foundation for the game's narrative.
- Wrote all character dialogue, item descriptions, and lore to enrich the player's experience.
- Crafted quests and progression milestones to ensure a satisfying player journey.
- Reviewed and refined design elements to maintain narrative and gameplay cohesion.
- Fulfilled Producer responsibilities by managing team meetings, production schedules, playtests, and task distribution.
- Successfully published the game to Steam in June 2024.

January 2024 - March 2024

**University of California, Santa Cruz** - *Tutor*

- Provided one-on-one and group tutoring sessions for students enrolled in the Game Development Experience course.
- Helped students overcome technical and creative challenges using JavaScript, Phaser 3, and other tools.
- Offered feedback and guidance on project development to ensure students met course goals.
- Graded projects and assignments, contributing to student success by offering detailed critiques and support.
- Facilitated workshops on debugging strategies and best practices for Phaser 3 development.
